No. The RFP has been amended to delete subparagraph (c) from Section K, Attachment 2, Item 19.

2. We have compiled all the information requested for the Volume III Environmental Critique. In the information that we are supposed to extract from the mission reactors' SARs, there are many folded 11x17 pages. Does your earlier decision to not allow 11x17s apply to this material as well?

Answer:

The page size restriction for Volume III has been removed. The RFP has been amended to reflect this.
